RWC 2018 by Sarah Mitchell

Run Walk Crawl 2018 will be held on April 7th. We are offering a 5K route and a 10K route. The 5K route will take you down Wood Street and turn north on High Street. You will continue on High Street to the Edgar Cemetery. You will run on the outside of the cemetery on the gravel lane. You will meander through the route in the cemetery until you reach the entrance. You will run south on Young Street and turn right onto Edgar Street. You will run west on Edgar until you reach the tennis courts. You will turn south on Buena Vista and head for the overhead bridge. Don't lose steam as you climb the bridge! Run to the end of Buena Vista and turn west onto Wood Street. You will finish in the parking lot between the US Post Office and the Prospect Bank drive up.

The 10 K route will end the same as the 5K route. In order to add 3.1 miles, you will turn south when you reach High Street and turn left onto Court Street. You will proceed west on Court Street until you turn left onto Eads Avenue. You will turn right onto Wood

Street and head for the golf course. You will turn left onto the golf course condominiums lane. You will run through the gate to the golf course to the water station located at the north entrance of the golf course. You will flip around and run back. You will proceed back to the route on Wood Street until you meet High Street and turn right. You will finish the 5K course.

There are two water stations on the route. The first water station is located at the north entrance of the golf course. If you are running the 5K, there is only one water station. It will be located at the south entrance of the Edgar Cemetery. You will reach it after you have ran through the cemetery.

There will be medals for 1st and 2nd place for each age category. Participants will receive a swag bag including a tech T-shirt.

Pacer apparel

If you have misplaced your apparel sheet, please email me (classroomcakes@yahoo.com) or private message me on Facebook which items you would like to order. You must pay before ordering. All shirts are made from tech material.

Ladies Tank Tops	\$16
T-shirts	\$12
LS T-shirts	\$12
